Muhammad Rafif Tri Risqullah

Student at Institut Teknologi Sepuluh Nopember Surabaya
Jember, East Java, Indonesia

Summary

IT enthusiast with a growing passion for infrastructure management and backend development. Currently enhancing my skills through hands-on learning and coursework, particularly in cloud computing with Google Cloud Platform. I am committed to expanding my knowledge and practical experience in the tech industry.

Experience

Bangkit Academy led by Google, Tokopedia, Gojek, & Traveloka
Cloud Computing Cohort

February 2024 - July 2024 (6 months)

Jakarta, Indonesia

- Learned all courses about computer networking, GCP, IT and System admin, and much more.
- Developed a capstone project, using Express.js and Flask for the backend. And integrates with Mobile and Machine Learning division. Produced a final served product "Glucofit"
- Learned soft skills throughout all ILT sessions and tasks, achieving more depth understanding about socializing and self management.
